William Myers Committed to Jail to Await Trial.

A young man named William Myers was ar-TO OBGANIZE A NATIONAL ASSOCIATION-ITS rested yesterday by Detectives Raff and Carter OBJECTS-PROTECTION OF THE RIGHTS OF THE and taken to police headquarters on suspicion of forgery. The prisoner was emphatic in the denial of his guilt and threatened a suit against colored men which meets here on the third day was responsible for his arrest or had any conevery person whom he had reason to suspect nection whatever with it. He is not quite wife was from Snow Hill, Md. About four years ago Myers came here and obtained employment as a drummer for Barbour & Hamilton in this city and for Mr. Harris, the grocer, in Georgetown.

THE FORGERIES DISCOVERED. Some time ago he was employed for a few days by Mr. J. Edward Chapman, the wood and coal dealer. Not many weeks after Myers left his employment Mr. Chapman discovered a shortage in his funds at the National Metropolitan bank. The shortage was investigated and it was discovered that two forged checks— one for \$85 and the other for \$150—had been honored at the bank. One check was dated December 24, 1889. It was made payble to "myself or bearer," the sum being \$85. Meeting with such success the forger made out a second check two days later and secured from the bank \$150 of Mr. Chapman's funds.

WHAT THE DETECTIVES LEARNED OF MYERS' HABITS The officers in conducting the investigation learned that Myers had been drinking heavily and spending money freely. They also learned that while Myers was on a spree in Philadelphia he received \$25 from a man named Riddle. The prisoner claimed that the money was a loan, but Riddle told a different story. He said that while Myers was drinking he gave him (Riddle) \$80 to keep for him and that the \$25 was a part of that sum. When the detectives told Myers what Riddle had said the prisoner remarked that he might as well tell the truth. Myers subsequently made A CONFESSION.

He said he had been drinking and he managed some way to get into a room at a saloon, where he lost his money in whisky and gambling, and when he awoke the next morning he was in a house on Maryland avenue. In the prisoner's possession was a letter from his wife complaining of his conduct and telling him that she had taken their child and re-turned to her former home at Snow Hill. He also had a letter of recommendation from Mr. Chapman. This morning the prisoner was photographed for the police gallery.

IN THE WINTER

Rheumatism is most prevalent because exposure to the cold and wet drives the blood from the surface of the cold and wet drives the blood from the surface of the body, and causes congestion of the liver and kidneys. These organs are thus unable to perform their functions of eliminating the impurities and lactic acid, which are taken up by the blood and deposited in the joints and tissues, resulting in the pains and aches we call rheumatism. Hood's Sarsaparilla has had great success in curing this disease, both chronic and inflammatory. Acting promptly on the blood, it neutralizes the lactic acid, expels all impurities, and restores the liver and gidneys to natural action.

E. B. BARNUM & CO. 981 PENNSYLVANIA AVR. OUR ROUND UP SALE

Previous to Stock Taking merchants giadly sacrifice profits and even more to sell their goods. It has been our desire since our inception in business to carry over no goods of any kind from one season to the other, realizing that by doing so goods lose their appearance and their value. Like others we have suffered the inconvenience of having yet on hand more merchandise than is generally the case this season of the year. We have now no time to fool and with a determination stronger than ever before have decided to take desperate measures.

EVERY ARTICLE IN OUR HOUSE COMES UN-DER THE KNIFE WE WERE NEVER MORE SINCERE THAN NOW.

REDUCTIONS ALL OVER THE HOUSE. Tomorrow morning we begin our Semi-Annual Sale

of UNLAUNDERED SHIRTS comprising the best

values obtainable for the price. One of our principal features is the perfection of fit-you will find a great many improvements in our Shirts which we have

OUR L. AND B. SHIRT 790., 6 FOR \$4.50.

OUR SUCCESS SHIRT 69c., 6 FOR 84. OUR LOT 1 SHIRT 47c, 6 FOR \$2.75.

OUR ECLIPSE SHIRT 37%c. EACH.

THE SHIRT SALE OF 1890.

Our L. & B. SHIRT.

We usually talk to the ladies and like to do so, but here is a subject for the men folks. We want to talk to them of the merits of our L & B. SHIRT. Go to any Shirt Tailor in the city, pay him a dollar and a half and you won't get any better material, any better workmanship and better fit; we put it alongside of any Custom Shirt made for wear and general goodness, and all we ask for it is 79c. You need not hesitate to come in and ask for it, our sales people are clever and they will be honest with you. Look at the Shirt, examine it; see its good Wamsutta Muslin; see its good Linen Bosom, interliped with good Butcher's Linen, 3 ply in all; see its Hand-finished Button Holes, a dozen times better than machine made; also see how it is reinforced, gussetted and stayed. There isn't a thing left undone in the make of the Shirt, nothing left out in the quality. We ask you to buy it because we want your trade. We want you to deal with us, as the ladies do. The Shirt is positively a
